Which one is the longest?

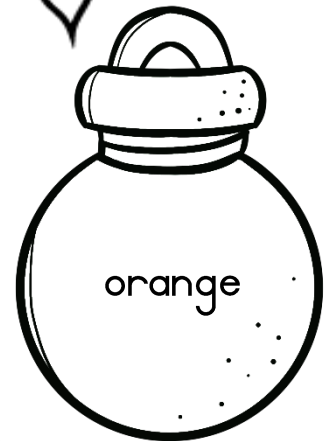

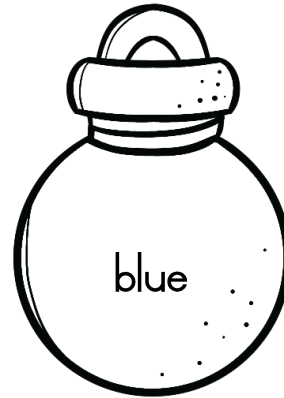

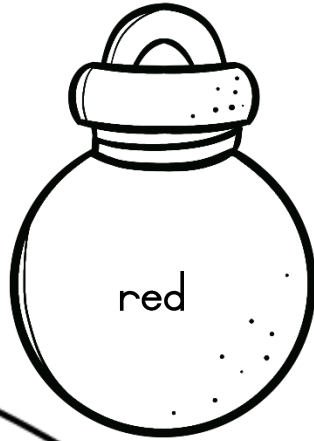

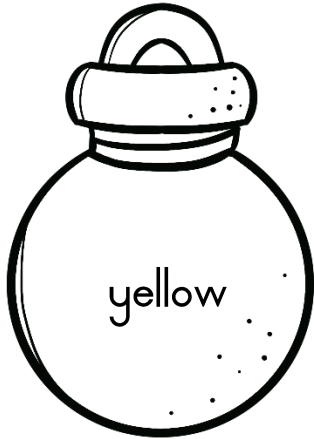

Cut out the Christmas trees. Paste them from the longest to the shortest in the columns.

--	--	--	--

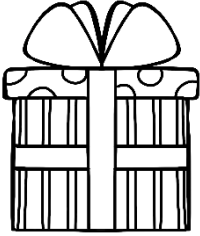

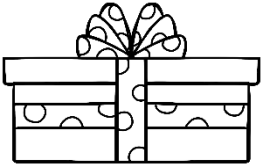

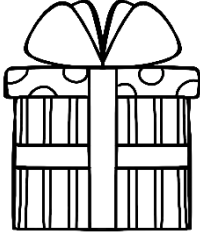

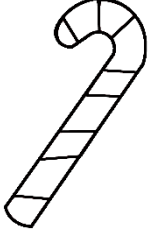

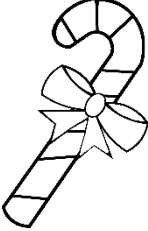

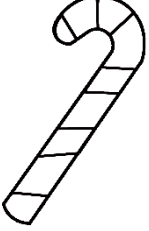

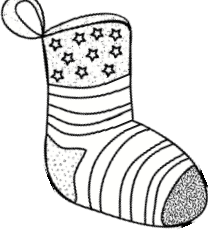

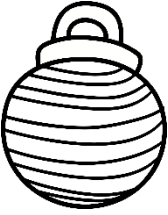

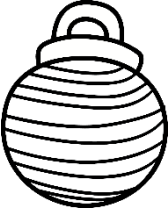

Christmas decorations

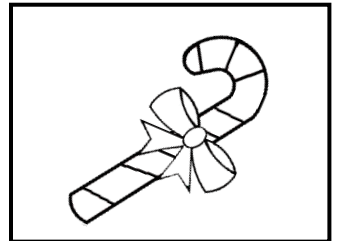

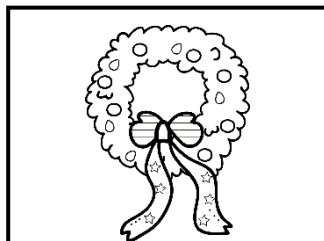

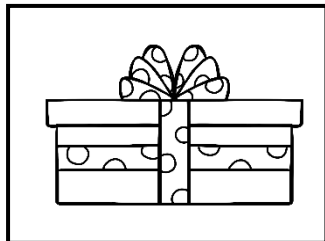

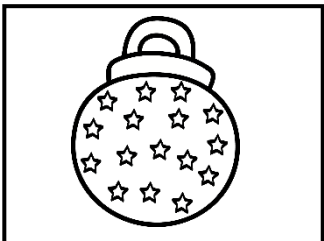

Colour in the Christmas decorations.

Christmas patterns

Cut out the pictures and paste them in the blocks to complete the patterns.

			
			
			
			

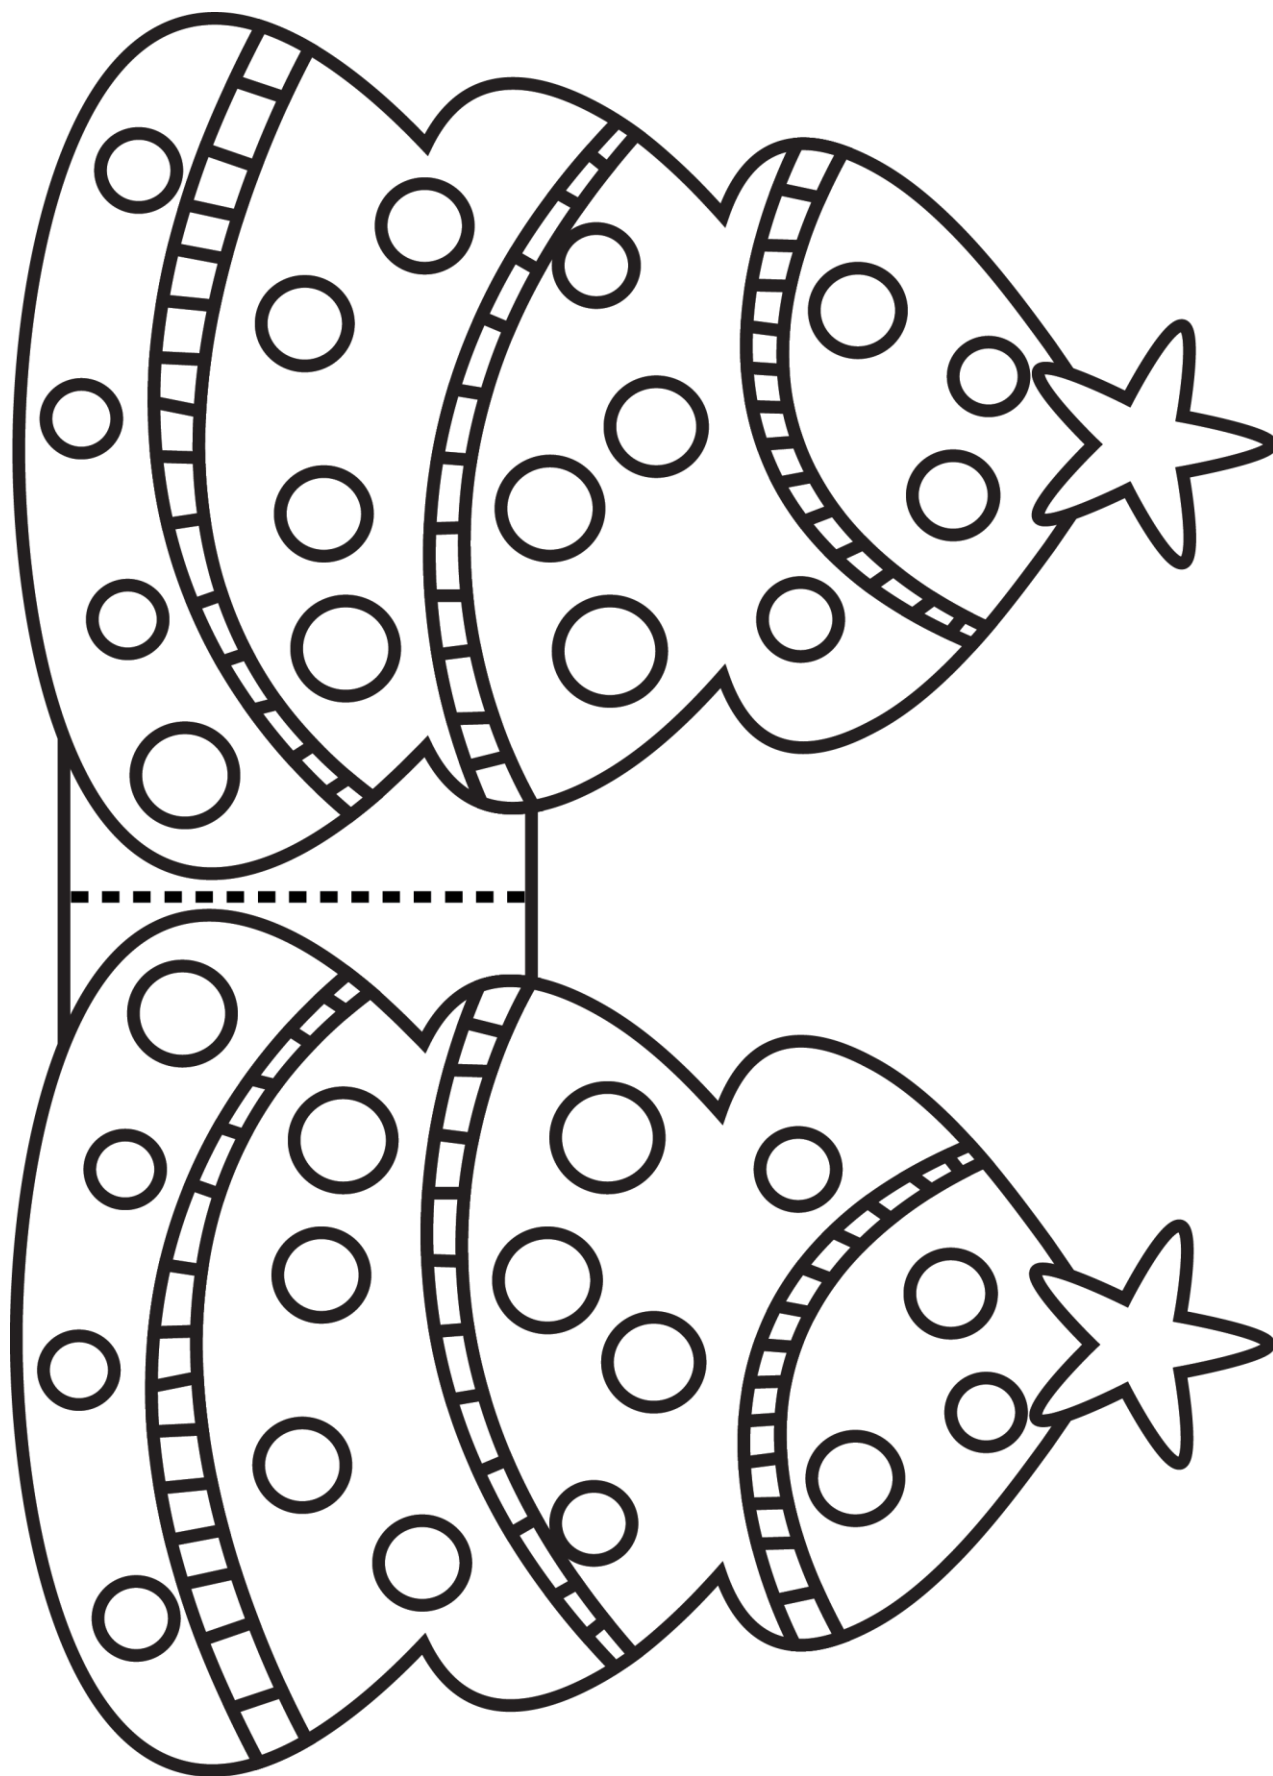

Make your own Christmas tree by cutting out the pictures.

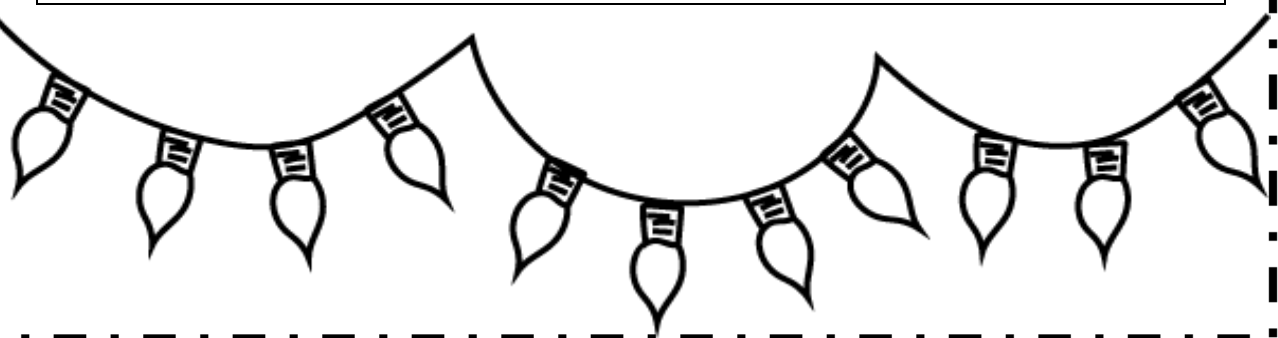

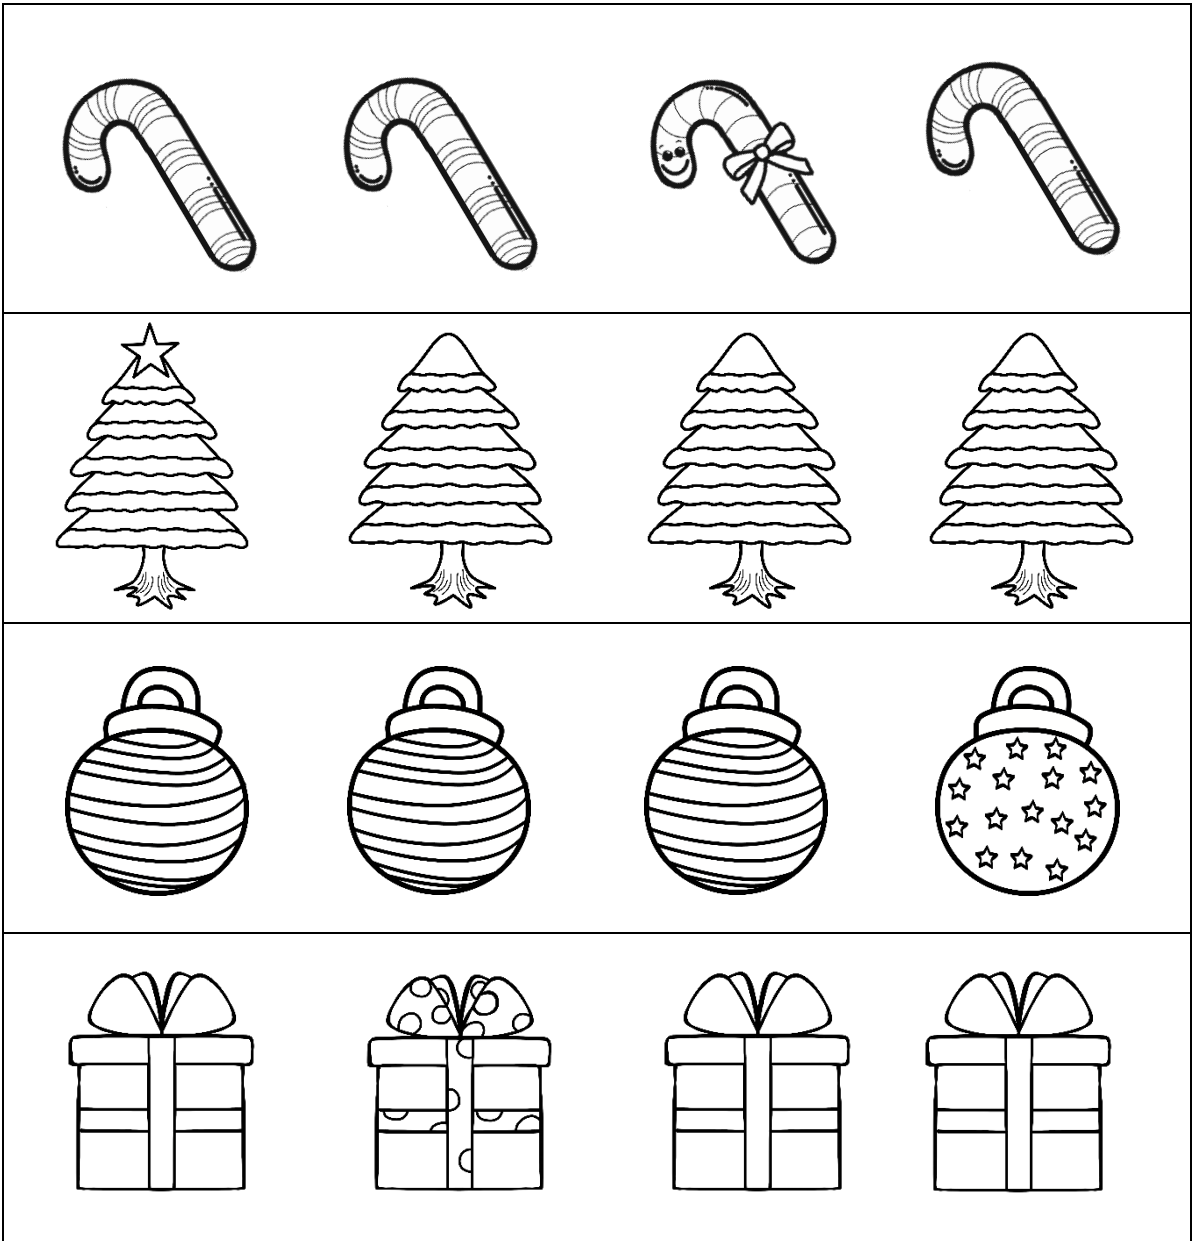

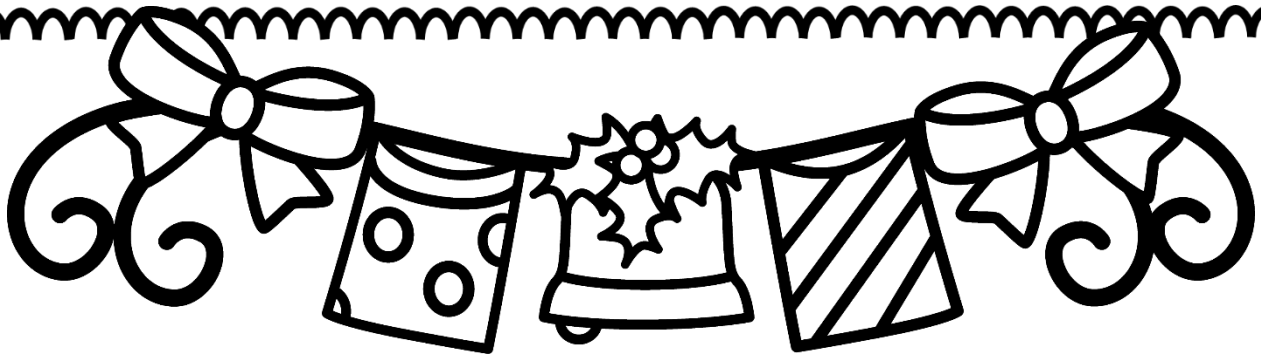

Colour in the Christmas tree. Cut it out and fold it in half on the dotted line. Write a Christmas letter to someone special inside.

Which one is different?

Colour in the picture that is different.

Can you get to the other side of the decoration?
