

Coloured spaghetti

What you need:

1. Spaghetti
2. Oil
3. Boiling water
4. Food colouring
5. Pot

Method:

Cook the spaghetti as per instructions on the packet, but add 5ml food colouring to the cooking water to colour the spaghetti.

The spaghetti will colour as it cooks!

This is a wonderful sensory activity. I gave the pasta to my daughter in a bowl to play with. She loved it!
