

Communication

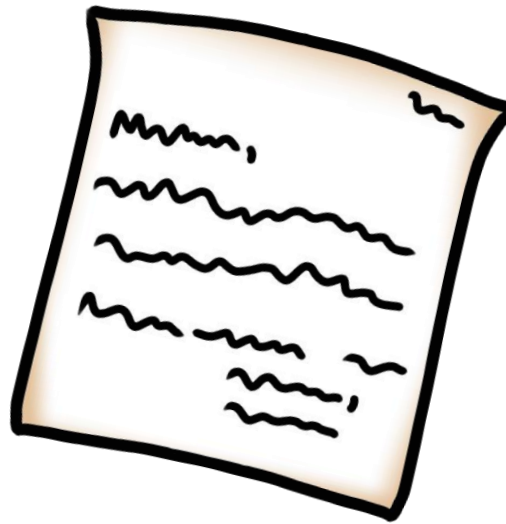

We can send
a SMS or
call someone.

We can send an email
with a computer or
laptop.

We can
write a
letter or
postcard.

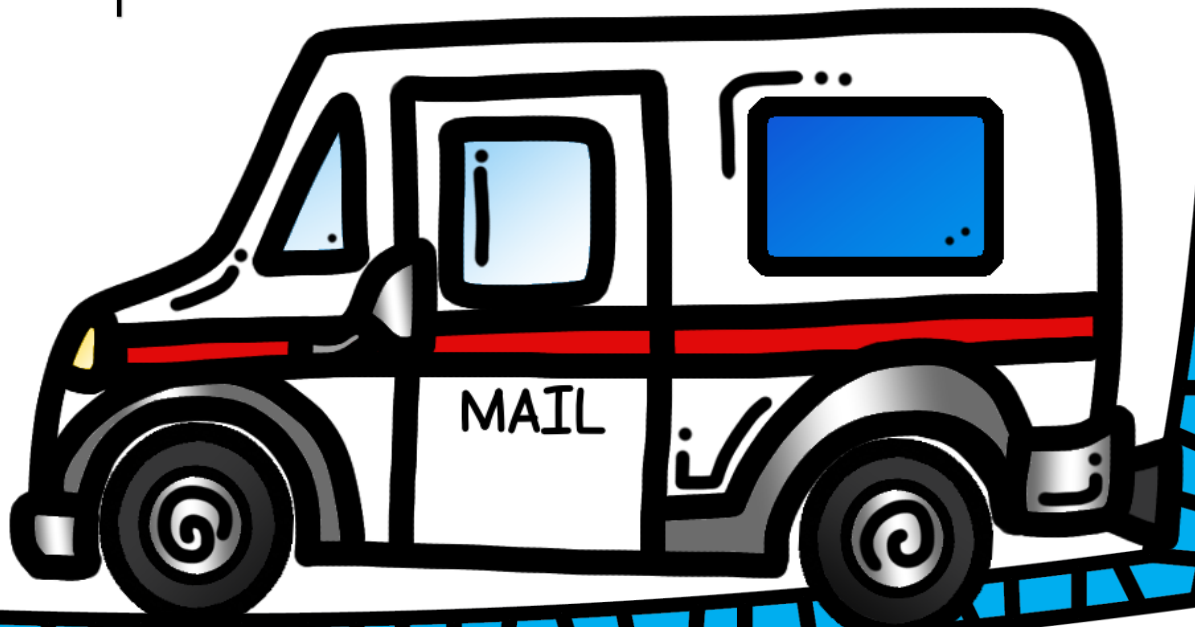

We can send
a fax.

Which path does your postcard have to follow to reach your friend?

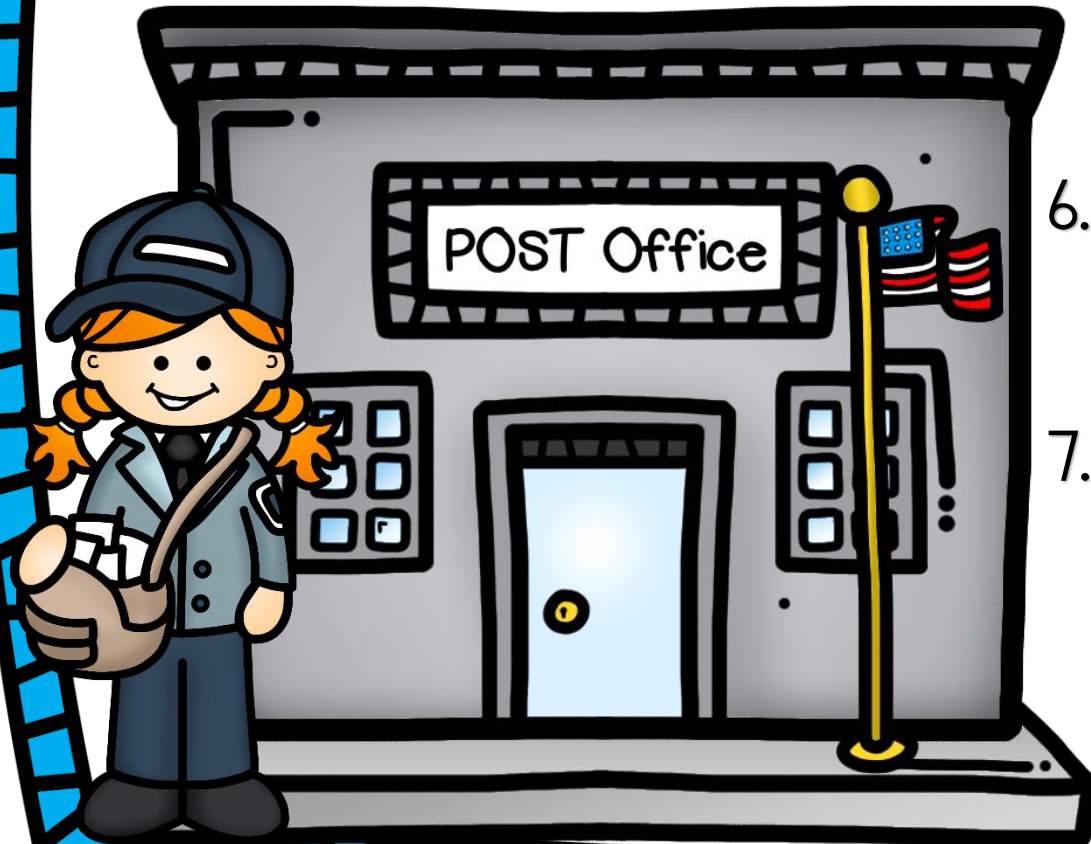

stamp

1. You write your postcard.
2. You buy a stamp and stick it onto your postcard.
3. You put your postcard in a postbox.
4. The mail van takes your postcard to the post office

Which path does your postcard have to follow to reach your friend?

5. At the post office, your postcard is sorted and put with other mail going to the same town.
6. Now your postcard travels by train or airplane to a post office in that town.
7. A postman from that post office delivers your postcard.
