

# Miere

Miere bou verskillende soorte skuilings, byvoorbeeld 'n miershoop.

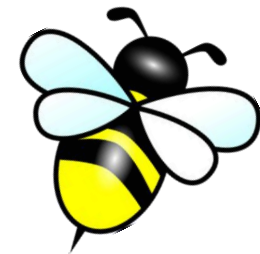

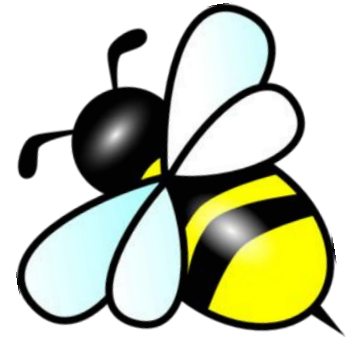

'n Klein mier kan iets dra wat vier maal swaarder as hy is.

Bye

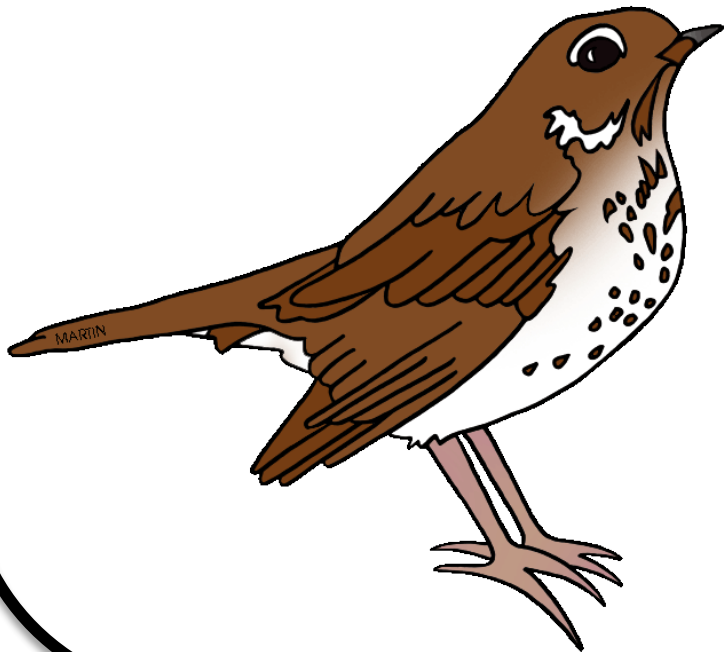

Bye woon in byekorwe.

Hulle bou dit van was. Hulle  
stoor voedsel in hul korwe.

# Voëls

Voëls bou  
**neste.** Hulle lê  
hul eiers daarin.

Hulle bou die  
neste van  
stokkies en  
vere.
