# negentien

iq

A 2x5 grid of ten identical circles. Each circle is filled with a bright red color and has a thick, solid black outline. The circles are evenly spaced both horizontally and vertically, creating a clean, geometric pattern.

A 2x5 grid of ten red circles with black outlines. The circles are arranged in two rows: five circles in the top row and five circles in the bottom row. Each circle is a solid red color with a thin black border.
