# Hoenderhokke Getalkombinasies

Help die hoenders om te besluit watter kombinasie van eiers hulle in elke hok moet le.

The image shows five chicken coops, each with a target number in a red circle on its roof. The coops are arranged in two rows. The top row has three coops with target numbers 11, 12, and 13. The bottom row has two coops with target numbers 14 and 15. Each coop is a 2x5 grid of boxes. Some boxes contain numbers, while others are empty. Three cartoon chickens are standing on a grey cloud at the bottom of the scene.
