This panel shows a tracing guide for the uppercase letter 'M'. The letter is drawn with a solid outline and a dashed line inside for tracing. A black dot at the top left of the letter indicates the starting point. Four numbered arrows show the stroke order: 1. A vertical line down the left side. 2. A diagonal line from the top left to the center. 3. A diagonal line from the top right to the center. 4. A vertical line down the right side. Below the letter is a cartoon illustration of a grey mouse with pink ears and a pink nose, sitting and looking up.

This panel shows a tracing guide for the uppercase letter 'N'. The letter is drawn with a solid outline and a dashed line inside for tracing. A black dot at the top left of the letter indicates the starting point. Three numbered arrows show the stroke order: 1. A vertical line down the left side. 2. A diagonal line from the top left to the bottom right. 3. A vertical line up the right side. Below the letter is a cartoon illustration of a large, pinkish-brown nose.
