

The image shows two cursive letters, a lowercase 'a' and an uppercase 'A', written on a set of three horizontal lines. The lowercase 'a' is positioned between the middle and bottom lines, with its top loop touching the middle line and its bottom curve resting on the bottom line. The uppercase 'A' is positioned between the top and bottom lines, with its top loop touching the top line and its bottom curve resting on the bottom line. Both letters are drawn with thick black outlines.

A handwriting practice sheet featuring three horizontal lines. On the left, a cursive uppercase letter 'K' is shown. To its right, a solid black dot is positioned between the top and middle lines. Further right, a cursive lowercase letter 'k' is shown, starting from the middle line and extending down to the bottom line.

Handwritten cursive letters 'k' and 'K' on a three-line grid.

The image shows two examples of the cursive letter 'k' written on a three-line grid. The first example is a lowercase 'k' that starts at the bottom line, loops up to touch the middle line, and then descends to touch the bottom line again. The second example is an uppercase 'K' that starts at the middle line, descends to touch the bottom line, loops back up to touch the middle line, and then descends to touch the bottom line. Both letters are drawn with thick black lines.

The image shows a handwriting practice template with three horizontal lines. The top line is the highest, the middle line is the baseline, and the bottom line is the lowest. Two cursive letters are written in black ink. The first letter is a lowercase 'a', starting at the middle line, going up to touch the top line, and then curving back down to the middle line. The second letter is a lowercase 'd', starting at the middle line, going up to touch the top line, forming a loop, and then curving back down to the middle line. Both letters are positioned between the middle and bottom lines.
