

# Play dough & coloured pasta

## Play dough

### Ingredients:

500ml flour

30ml oil

30ml cream of tartar

500ml water

200ml salt

5 - 10ml food colouring

### Method:

Stir everything together in a pot over medium heat. As soon as the mixture comes together in a "ball", turn the heat to low. When your dough looks shiny, remove from the stove. Knead the dough for 3 minutes. Store in an airtight container, not in the fridge!

Safe if ingested.

## Coloured pasta

What you need:

1. Food colouring
2. Pasta
3. Ziplock bag
4. Newspaper

Method:

1. Place the pasta in the Ziplock bag.
2. Add a few drops of colouring to the pasta in the bag.
3. Close the bag and shake it well.
4. Leave the coloured pasta in the bag for at least 30min.
5. Place your pasta on a piece of newspaper and leave to dry in the sun for at least an hour.
