

SIMMETRIE

ONTHOU !

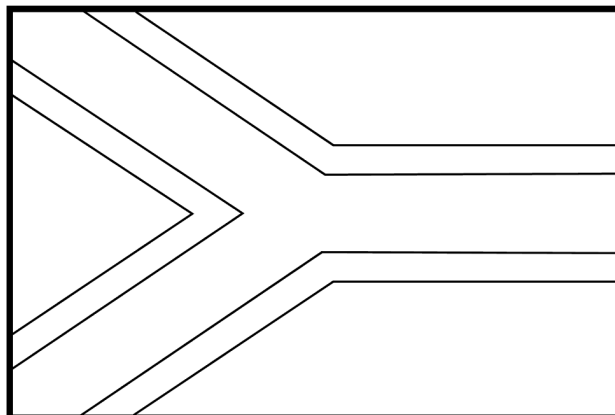

Simmetrie is as jy 'n voorwerp presies in die helfte kan deel en al twee dele lyk presies dieselfde.

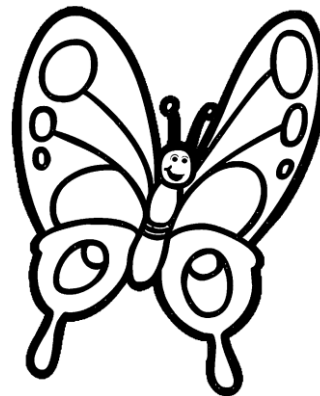

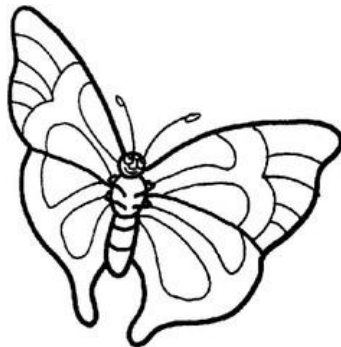

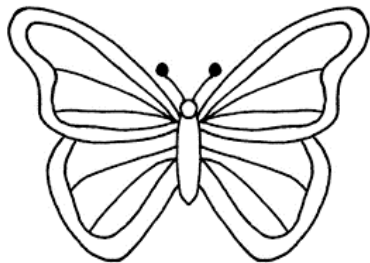

1. Teken die ander helfte van die volgende prente.

2. Verdeel die Suid-Afrikaanse landsvlag simmetries.

Watter een van die skoenlappers hieronder is simmetries? Omkring die regte een.

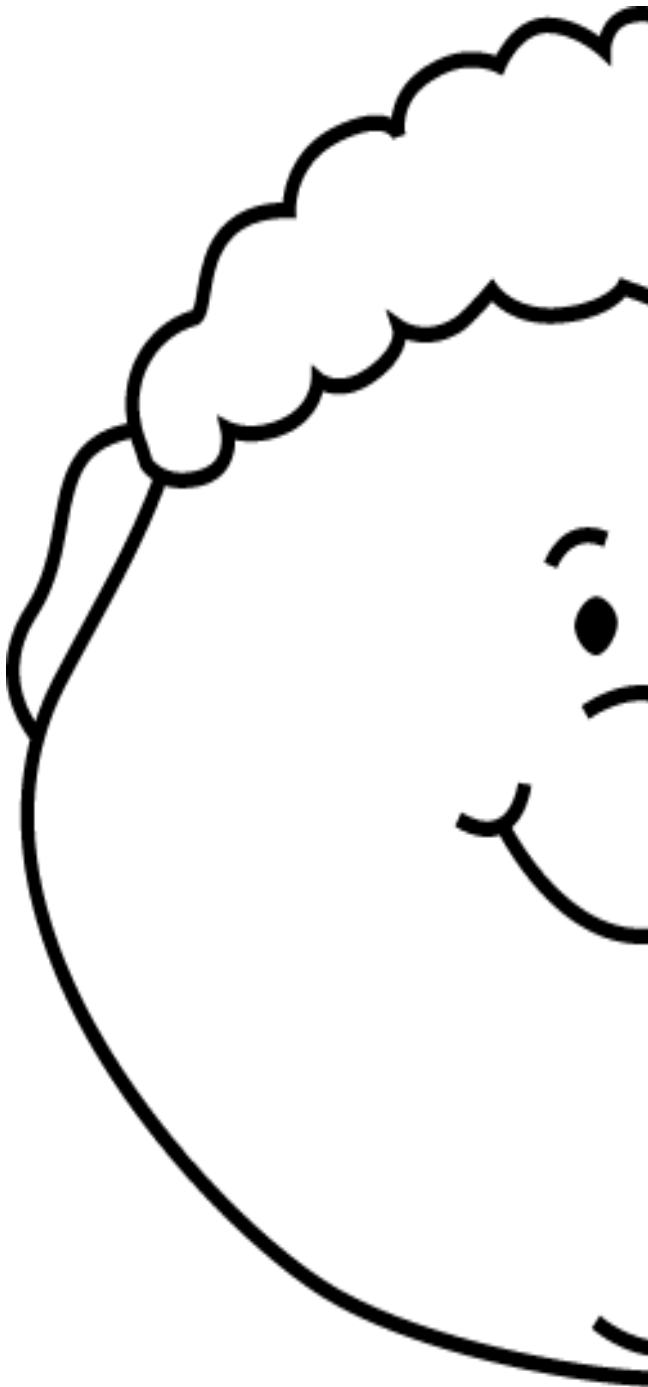

Teken die ander helfte van die skoenlapper.

SIMMETRIE

Teken die ander helfte van die seun se
gesig.

SIMMETRIE

Teken die ander helfte van die diere se gesigte.
