

# Summer

- The weather is sunny and warm.
- The days are long and the nights are short.
- We can stay cool by swimming or sitting in the shade.

December

January

February

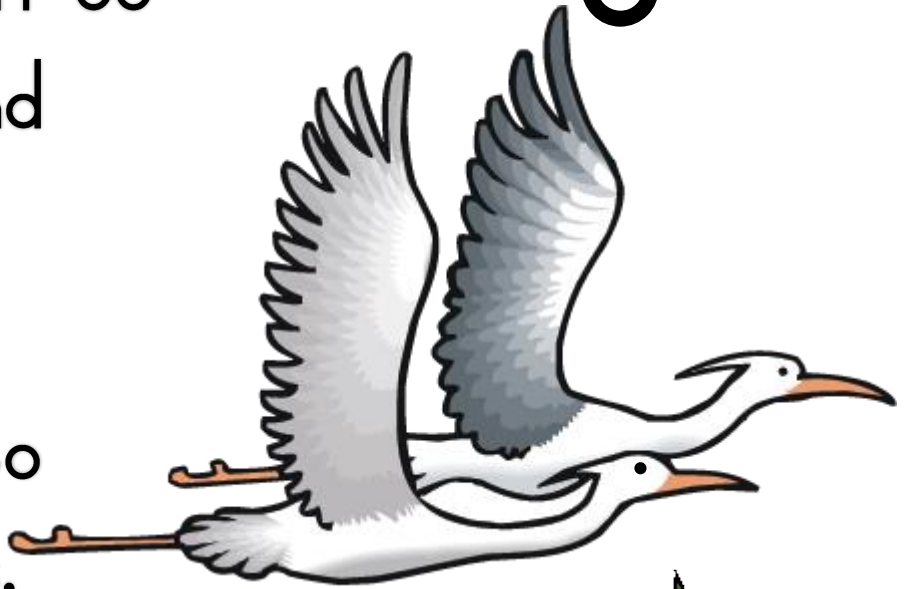

# Autumn

- The weather cools down.
- The leaves begin to turn golden and fall off the trees.
- The birds fly to warmer places.

March

April

May

# Winter

June  
July  
August

- The weather is cold. In some places there is snow or frost.
- The days are short and the nights are long.
- Some animals sleep through the winter. They hibernate.

# September

# October

# November

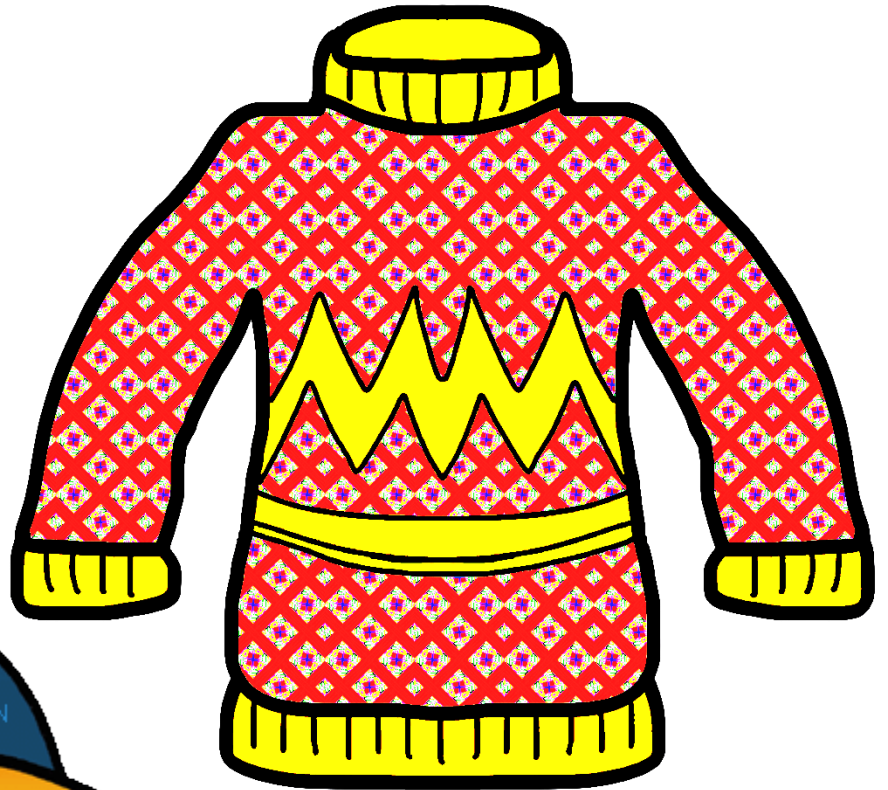

- The weather is warm. The plants start to grow and there are blossoms on the trees.
- Birds begin building nests and laying eggs

# Spring

# Dressing for the weather

If it is cold outside we need to wear warm woolen clothes.

# Dressing for the weather

On rainy days we need a raincoat and an umbrella.

# Dressing for the weather

When it is warm  
we must wear  
cool clothes.

Hats protects  
us from the  
sun.
