korf

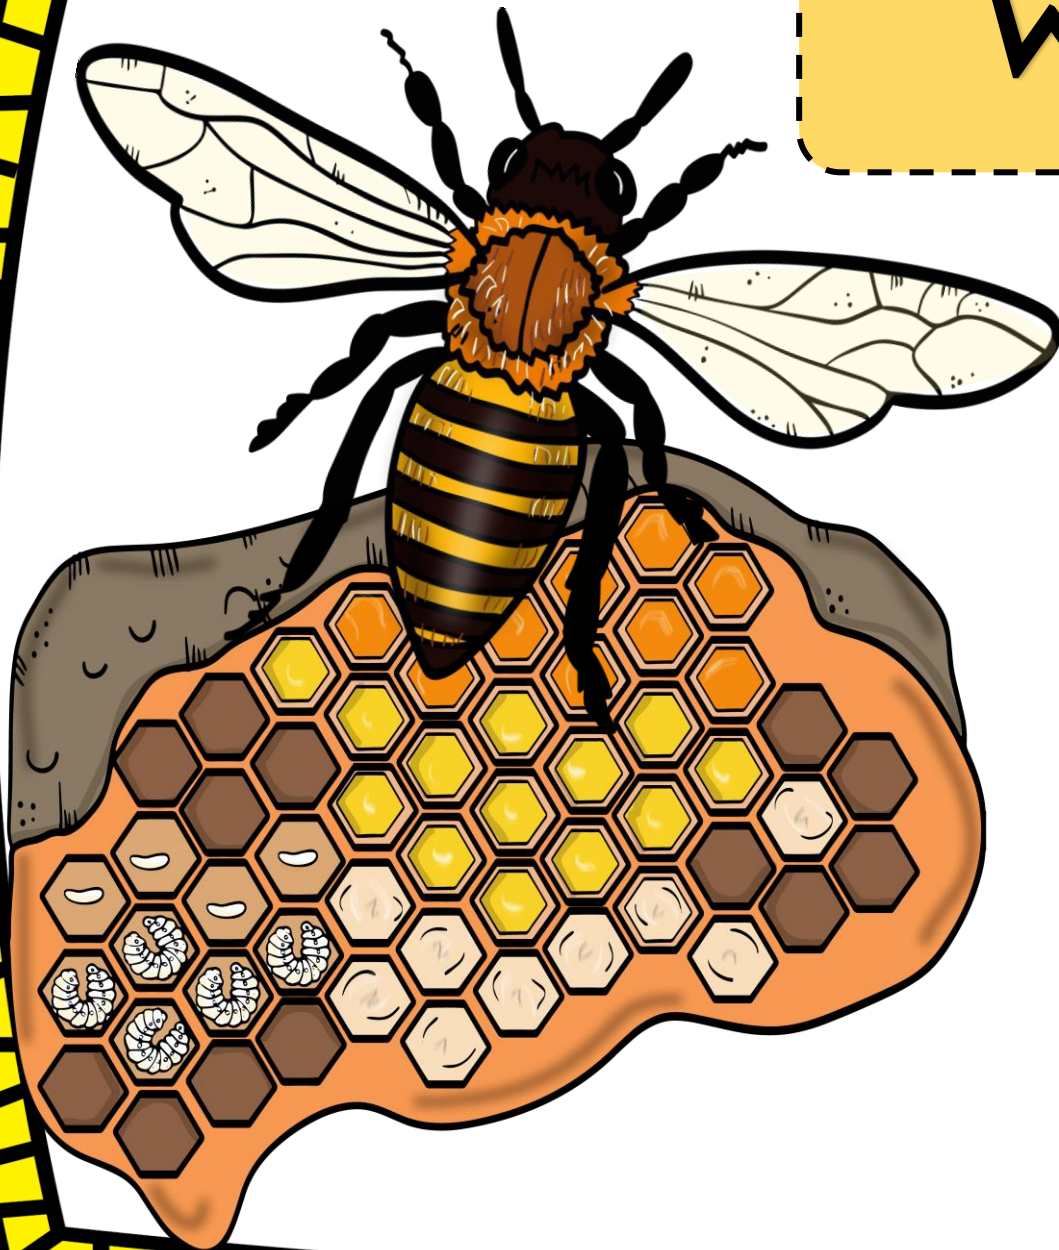

'n Bynes het
seskantige
selle.

Heuningboere vervoer korwe van
plek tot plek sodat die bye blomme
kan hê en ons heuning.

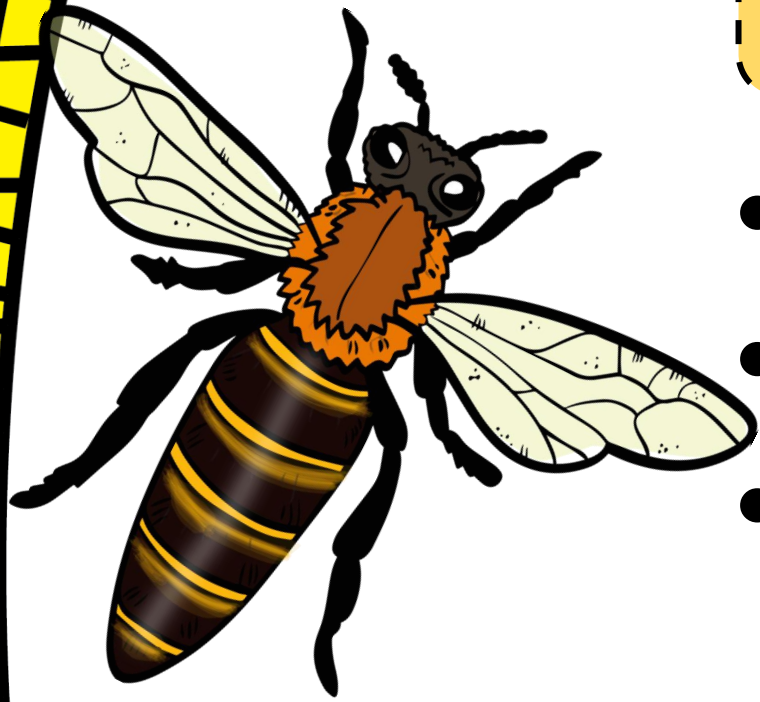

Werkerby

- Werkerbye maak heuning.
- Hulle is almal wyfies.
- Hulle pas baba-
bye op.
- Hulle maak
blyplek skoon.

Koninginby

- Sy is groter as ander.
- Sy lê elke dag baie eiers.
- Die eiers is larwes wat later bye word.

larwe

Bye gee vir ons:

heuning

As bye nie blomme
bestuif nie, kry ons nie
vrugte nie!
