

We use water for . . .

Washing clothes.

We use water for . . .

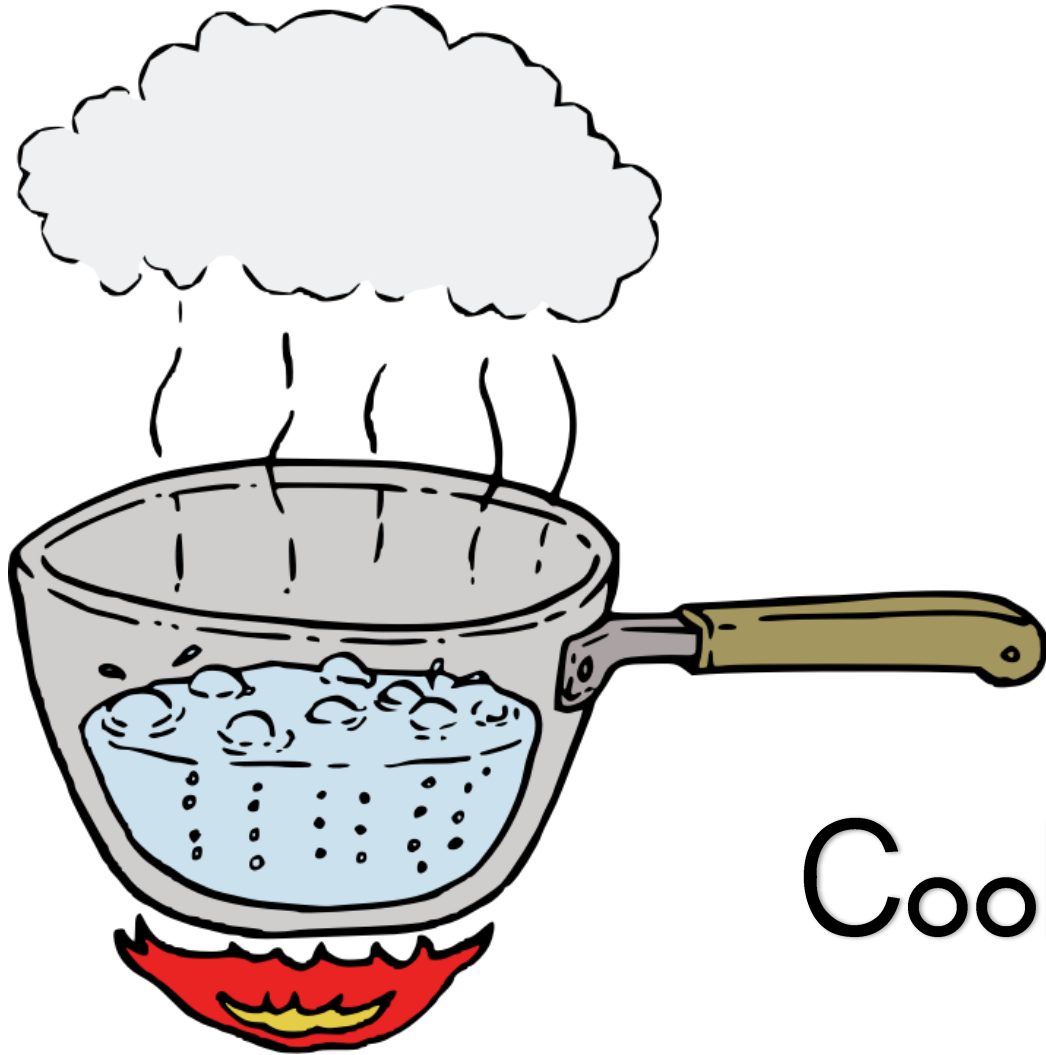

Watering plants
to help them
grow.

We use water for . . .

Washing
ourselves.

We use water for . . .

Cooking food.

We waste water when . . .

When we use too
much water to
water the garden.

We waste water when . . .

When we play with water.

We waste water when . . .

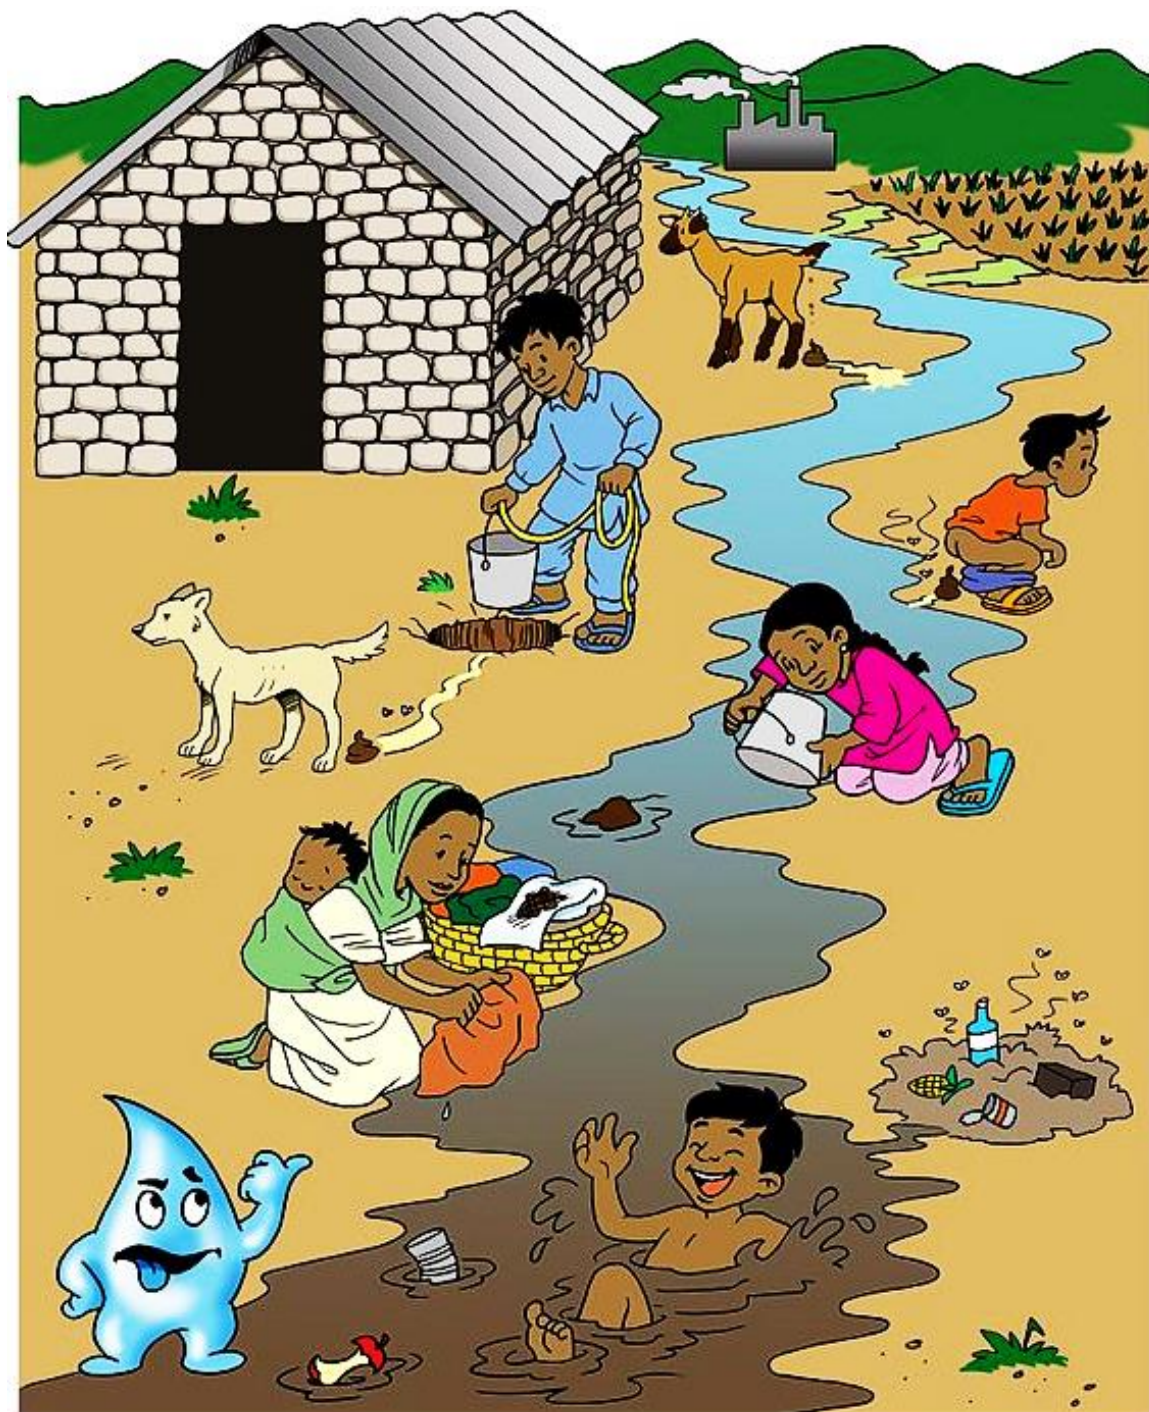

When we use too
much water to
wash the car.

Water which is
save to drink

Water which is dangerous to drink

Water which is dangerous to drink
