The word 'water' is written in a playful, rounded font where each letter is contained within a blue water drop. The drops have a gradient from light blue to dark blue and a black outline. The letters are 'w', 'a', 't', 'e', and 'r' in lowercase.

water

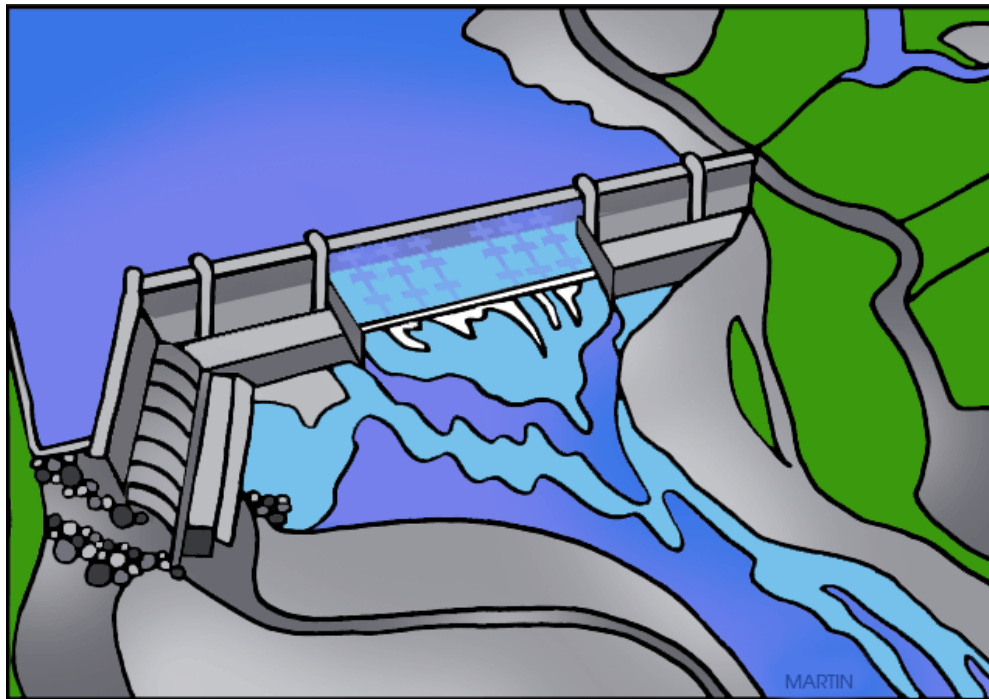

Water gives us life.

People, plants and animals need water to stay alive. It also helps our bodies to remove waste products.

Where do we get
water from?

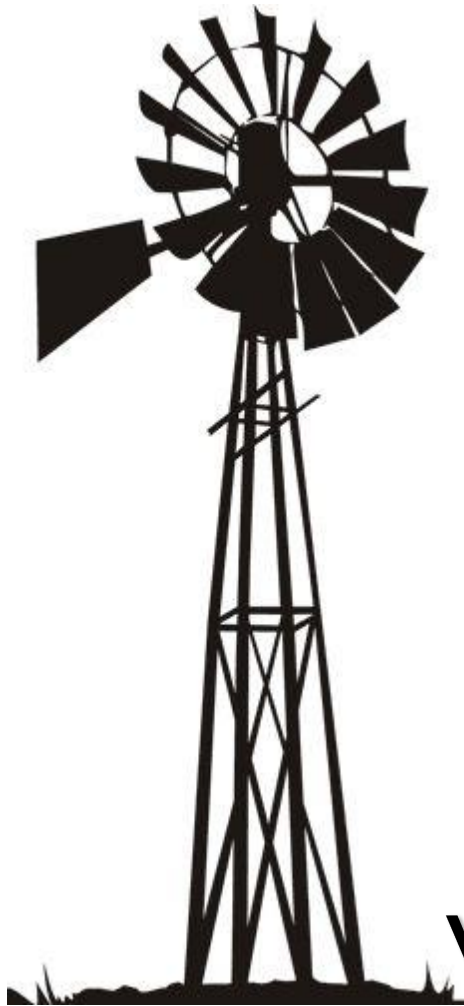

dam

river

Where do we get
water from?

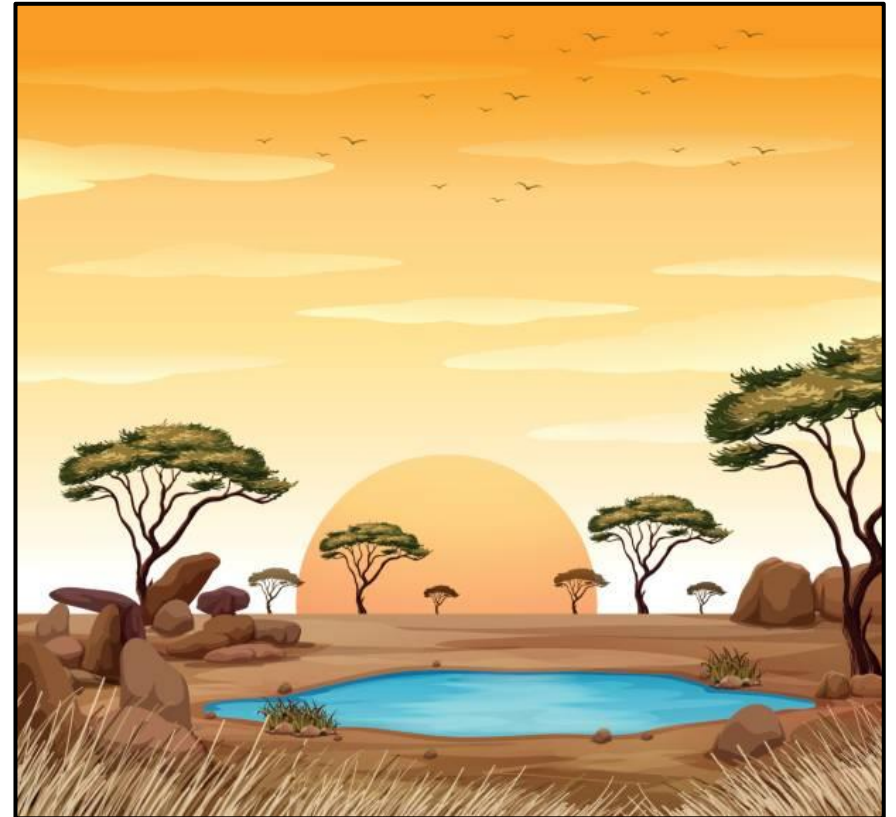

spring

well

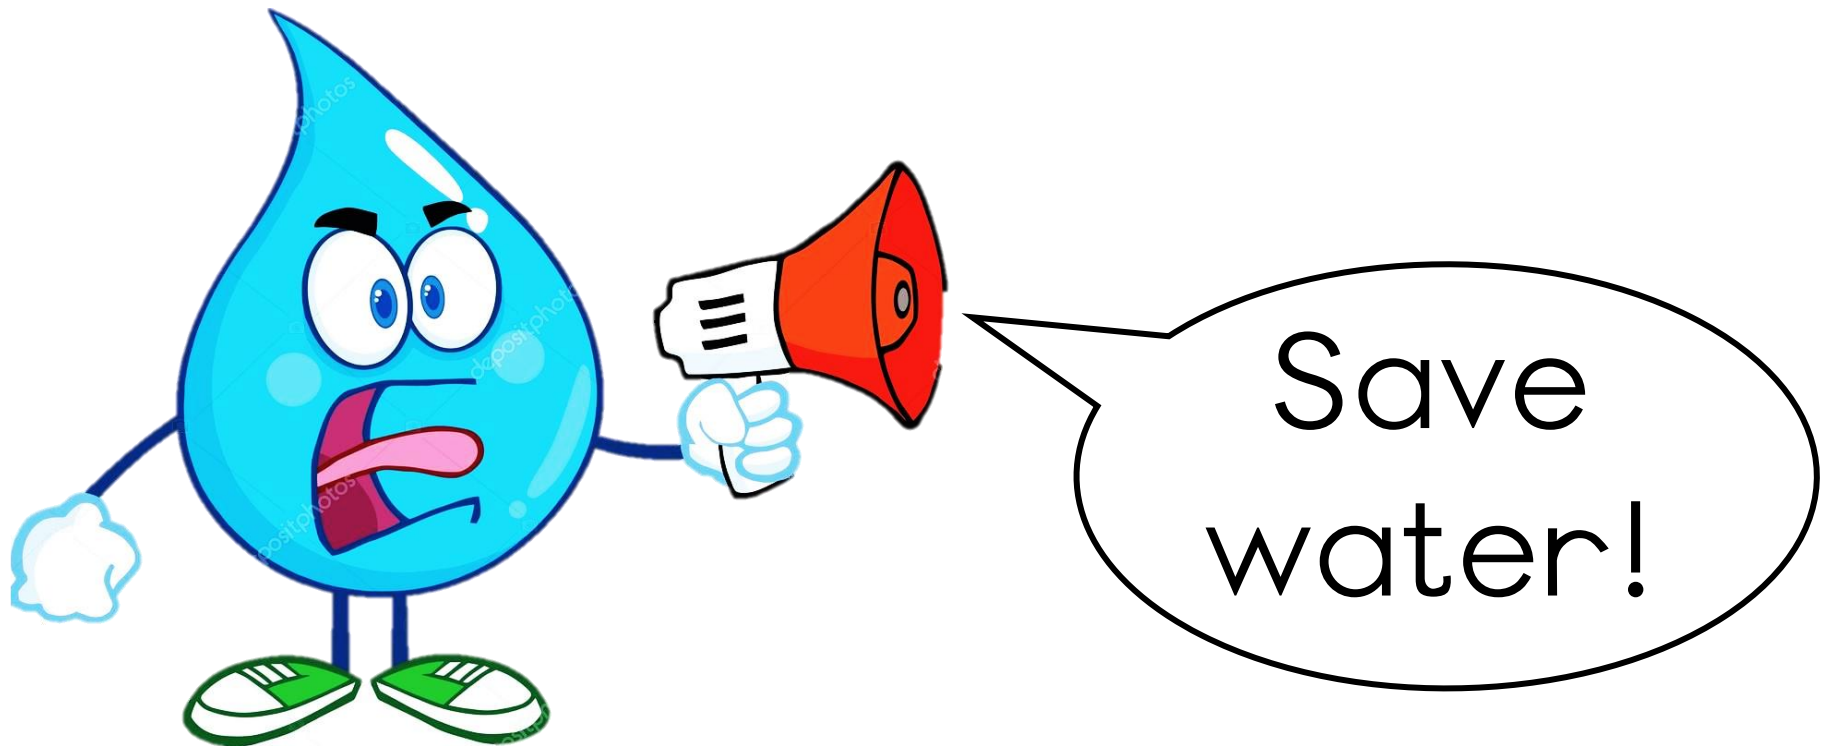

windmill

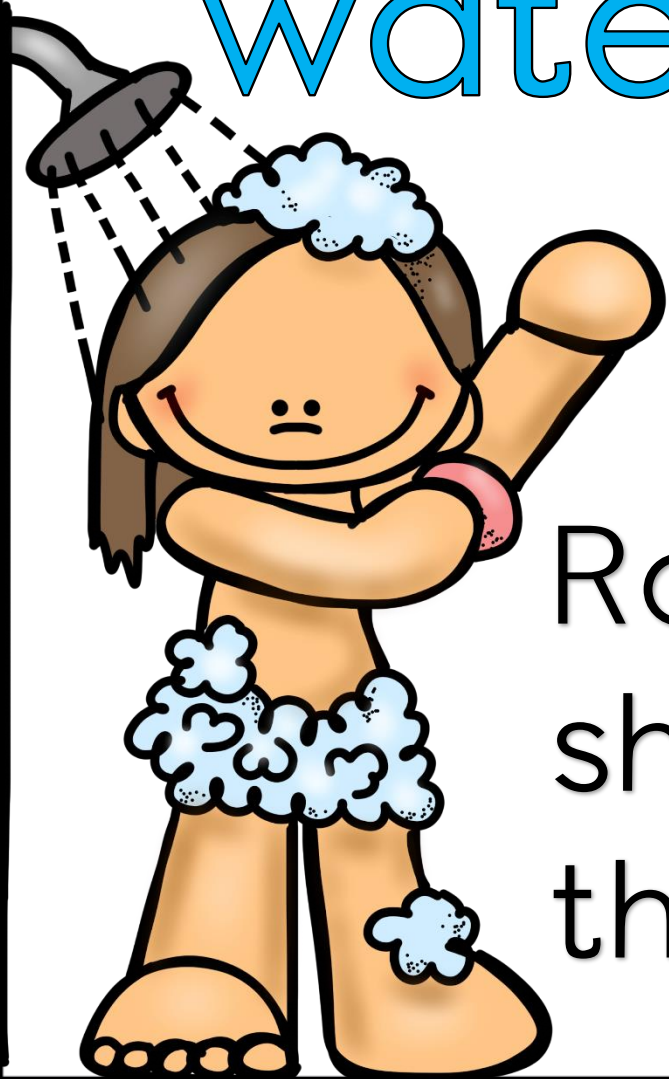

We save water

Water is very precious, so we should not waste it.

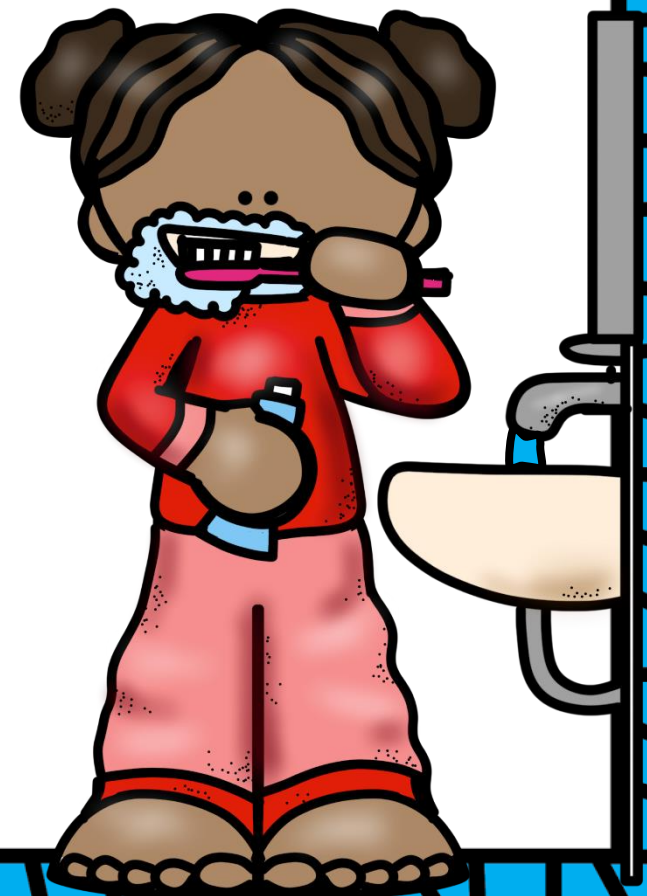

We save
water

Rather
shower
than bath.

Close the tap
while brushing
teeth.

We use water to . . .

Bath and
shower.

Water plants.

Make food.

Wash clothes.
